North Brooklyn Boat Club’s 2019 Public Paddle series really takes the paddling to the public!

Through the generous partnership of NYC Parks, we are holding our 2019 Public Paddles in the Manhattan Avenue Street End Park at the very top of Greenpoint. Come join us for fellowship with your friends and neighbors and paddling on the waters of New York City! The Public Paddles let NBBC do what we do best: fulfill our [mission](#) to enable access to the waterways of New York City for our local community. We'll have canoe tours with views of Manhattan, tasty beverages and snacks on hand, and friends and neighbors gathering together on the shores of Newtown Creek.

No matter where you live, NBBC is **your** community boat club. Come join us to start up another great season of

Community • Advocacy • Adventure • Paddling!
